

## Important Update re: COVID-19

June 2, 2020, 1:00 p.m.

- **MANDATORY IN-SERVICE FOR RETURNING STAFF**

Per Illinois' Phase 3 guidelines, one of the things that we are required to do when "reopening" the organization to those who have been working remotely is train our returning staff in regard to COVID-19 and related policies. All non-direct care staff should receive copies of the policies from their supervisors today.

Starting tomorrow, June 3<sup>rd</sup>, there will be an in-service sheet at the front desk of the Hyde Center, Philip Center, Ann Haskins Center at Marklund Day School and Wasmond Center. **Please note that everyone except PSPs and nurses will need to sign one of the in-service sheets.**

Copies of the in-service will also be available at the desks in case staff did not receive them prior to arriving at work.

These in-service sheets will stay at the front desks for the entire month of June for staff to sign as they rotate back in.

- **PHILIP CENTER SUMMER GAMES**

MPC staff will run a modified version of Summer Games this Friday, beginning at 10:30 a.m. This event is for direct care staff and residents only; no volunteers or family/guardians. Please watch Marklund's social media sites for photos and videos from the games. (Reminder: a similar format will take place at the Hyde Center on June 13, and at the Wasmond Center on June 26.)

- **RESIDENTS / STAFF**

We are happy to report we have no residential COVID cases at any of the Marklund locations, nor any new reports of positive cases among staff.

Regards,

GILBERT FONGER, President & CEO
