June 9, 2020, 12:00 p.m.

- **NO NEW CASES**

We are pleased to report that we have not had any positive COVID-19 cases since last week, nor any clusters of symptom-like illnesses. We are continuing to screen **all** staff when they arrive at work and all residents at shift changes. Direct care staff self-screen at mid-shift as well. All employees will continue to wear masks until further notice.

- **GENEVA CAMPUS SUMMER GAMES**

MHC will hold a modified version of Summer Games this Saturday, June 13, beginning at 10:15 a.m. This event is for direct care staff and residents only; no volunteers or family/guardians. Our Marketing & Communications team will post photos and videos on Marklund's social media sites during and after the games. (Reminder: the Wasmond Center will hold its Summer Games with staff and residents only on June 26.)

- **VIRTUAL EVENT REPLACES ANNUAL GOLF OUTING**

The 38th Annual Golf Classic is now going to be a virtual event since we cannot host large events this summer. Please consider joining us for this fun and "unconventional" **VIRTUAL Cyber Classic** on Thursday, Aug. 27, from 6-7 p.m. Participation is FREE, but you must register to receive the link. Registration and sponsorship opportunities can be found at: www.marklund.org/cyberclassic/.
