

## Important Update re: COVID-19

*from Gil Fonger, President & CEO*

Nov. 19, 2020; 3 p.m.; Issue 56

- **Testing Status:**

**Hyde Center, Geneva:**

We received all negative test results on residents and staff at the Richard Home (MRH), along with any staff included in the Orientation testing. The next round of testing at MRH will be completed Monday.

**Philip Center, Bloomingdale:**

A second asymptomatic staff member has been identified through the on-site testing completed on Monday. This person was last in the building Wednesday, Nov. 18. We will continue to do testing on all staff and residents until we have two full rounds of negative results.

- **Virtual Visitation Only:**

Due to the Tier 3 Mitigations imposed by Gov. Pritzker which go into effect as of tomorrow, Friday, Nov. 20, all Marklund sites will restrict visitations to the virtual format only. Appointments must be made through the QIDPs in the homes, or nurse managers if the Qs are not available.

We understand that this will be a difficult time for everyone as more restrictions are imposed on our state. We appreciate your patience and understanding as we navigate through this time. Please feel free to reach out to me if you have any concerns.

Regards,
