- **Window Visits Allowed!**

Great news! We were just informed that the Governor's office has officially changed course on its guidance regarding window visits at Long-Term Care Facilities, stating that they will be allowed during the holidays, at the discretion of each facility. We are definitely in agreement with the change and are happy that families will be able to have this type of connection with their loved ones at Marklund in addition to virtual visits.

Please note: all window visits must be pre-arranged with the QIDP in each facility.

Now we all have one more thing to be thankful for this week!
