- **COVID case updates:**

- **Marklund Hyde Center (MHC)**, Geneva: We received confirmation that an In-House Registry (IHR) employee tested positive for COVID-19 on Dec. 24. This person's last shift was Tuesday, Dec. 22, at the Marklund Dreher Home (MDH). Contact tracing has been completed and other employees identified who will be tested Monday, Dec. 28, along with all residents at MDH.

All other on-site tests at MVH returned negative results. The next round of tests there will be conducted tomorrow.

- **Marklund Wasmond Center (MWC)**, Elgin, and **Marklund Philip Center (MPC)**, Bloomingdale: All negative results from last week's on-site testing.

Enjoy the rest of your Sunday!
