

Important Update re: COVID-19

from Gil Fonger, President & CEO

Feb. 26, 2021; 4:30 p.m.; Issue 84

- **New non-facility-based COVID case:**

- Geneva: A staff member tested positive with a rapid test during a surveillance testing and had the diagnosis confirmed today by a follow-up lab test. This person had not been on site since Feb. 13, so it is clearly a non-facility based case. The staff member will continue to quarantine but no contact tracing is needed.

- Bloomingdale & Elgin: no new cases.

Have a great weekend,
