

## *As promised, here are the step-by-step instructions for accessing the Marklund Parent Portal:*

Registering as a user on the Marklund website will give you access to a password-protected *Parent Portal*, which includes information exclusive to our parents/guardians.

To register as a NEW user, please do the following:

1. Go to [www.marklund.org](http://www.marklund.org), then scroll down to the bottom of the home page and click on the **CREATE AN ACCOUNT** link in the lower right corner.
2. Fill out the required information on the form. In the last box, "About Me" please type in that you are a parent or guardian.
3. **Click REGISTER.**
4. You will receive an email explaining the next steps.
5. Please note: registering on the site **will not** give you immediate access to the *Parent Portal*. A website administrator will need to activate your account. You will receive notice when that is complete.
6. When your account is active, you may login to the website in the login box located at the lower right corner of the home page. Once logged in, click on the **MyMarklund** tab found at the top of the home page to access the portal.
7. If you have any questions, please email Julie at [jcurrao@marklund.org](mailto:jcurrao@marklund.org).
