NEWS for the employees of MHC, MPC, MWC & MDS

OCTOBER 25, 2018

Volume 13, Issue 22

Welcome the newest staff members to our Marklund Team!

Megan McCall - Staff Nurse RN, MPC

I have four children, my eldest will be headed to college next year, and my youngest is in the sixth grade. I moved from Iowa 23 years ago after I graduated from college. I have worked at Northwestern University Medical School and most recently I contracted with Pediatric AIDS Chicago Prevention Initiative. I love to read and dabble in arts and crafts, and I also enjoy photography.

Donna Pasano - PSP, MPC

Family is one of the most important things in my life. They're all the best and give me strength to encounter everything. I came from the Philippines. I have previously worked at Marklund Philip Center in Bloomingdale. I love music, playing video games, and watching funny movies.

Tiffany Zurek - PSP, MHC

I am the youngest with three sisters and two brothers. I am originally from Wauconda. I have been a personal care giver for private families the last eight years. I have also worked at Fox Valley Special Rec and Northern Illinois Special Rec as a program coordinator and site director. I love hiking, cooking, and singing.

Ross McMurray - PSP, MHC

My wife works here at Marklund and my parents and sister live in Indiana. I am from Fort Wayne, IN, but moved to the area after I got married. I have worked in retail and in warehouses. I enjoy anything involving technology and geology, table-top games, and video games.

Kimberly DiSanti - PSP, MWC

I have seven children, one grandchild, and another on the way. I am from Kentucky and have been in Illinois for 30 years. I have worked at Home Instead and in the medical field for past 30 years in doctor offices and hospitals. I enjoy spending time with my kids and grandkids, reading, and wine tasting.

Katrina Favis - Paraprofessional, MDS

I am the youngest of three. My parents immigrated from the Philippines before I was born. My family is close and we all support each other. I am from Geneva. I have worked at Yogenfruz, Lumiere's Children Therapy Clinic, and as a personal caregiver. I enjoy working out, writing, reading, listening to music, thrift shopping, and cooking.

Marcin Dyczewski - Paraprofessional, MDS

I was born in Poland and currently live in Schaumburg. I have worked at the Disability Resource Center at Western Illinois University.

OCTOBER 25, 2018

We had a HUGE group of nominees this month with 156 nominees! This was 40 more than last year at this same time. We had the following participation: MHC - 74, MPC/MDS - 60 & MWC - 22. Great participation by each of the centers!

Thank you for making my job so hard! ⊠ There were so many truly outstanding nominees to choose from; I could have easily picked a number of the honorees.

I want to thank each of you who take the time to submit one of your fellow staff and recognize them for this honor. I know that it means a lot because I see staff wearing their stickers and saving past recognitions.

The selections for this month are: Taylor Dulowski, Viola Gerus, & Chevy Guastaferri.

Taylor is a PSP at MDS in Bloomingdale. She had six nominations. She was commended for "taking the time to assemble and edit the class music video (on her own time)." She was recognized for helping out in a number of classes and for the way she handled a student crisis. She was also nominated for how observant she was in recognizing the needs of a non-verbal student and made her comfortable. Taylor is recognized for her creativity, compassion and teamwork.

Viola is an overnight PSP at MHC. She received two nominations. In one, she was recognized for her hard work and how she always makes sure to take care of the resident's needs even when short; she even makes the time to organize the resident's belongings. In the other, she was nominated for how she "motivates her team members. Turns complaints into "ongoing jokes to keep the team laughing." She even brings in food! Viola is recognized for her attitude, compassion and teamwork.

Chevy is an overnight PSP at MWC. She received three nominations. She was recognized for coming in on her day off to work on the south unit (her home unit is north). In another she was nominated for the way she "scans the resident's rooms at the end of shift to make sure all is ready for the day shift." The third nomination was for her willingness to work in the kitchen when they were short. Chevy is recognized for her attitude, accountability and teamwork.

Again, congratulations to all but a special commendation to Chevy, Taylor and Viola.

In honoring the true spirit of this award, we are recognizing both the nominee and nominator acknowledged this month in our "President's Perspective" section of Connections

Join us in Congratulating September 2018 Winners:

If you are interested in receiving a frozen turkey this year and missed the deadline for turning in your order form, you might still have a chance to get one.

Give your name to one of the following people at your facility.

MPC Rose Holod

We did not order any extra turkeys.

However, if on the day we hand out the turkeys there are some that are unclaimed, we will contact people on the "waiting" list starting with the first person to sign up and give them a turkey. We do not have a delivery date right now, but it will be before Thanksgiving. We will announce the date once we are given one from the supplier.

Thank you everyone.
