

FUN ACTIVITIES AT HOME

A Boy Doing a Puzzle at Home

Leaders across the U.S. and around the world are closing many businesses and schools. They are trying to stop the coronavirus from spreading to more people. Many people must stay home and avoid crowds of people. People can do fun activities at home! They can do activities alone or with family members. Students should have time set aside to do schoolwork or continue to learn. People can help cook or do chores. People can also play board games, draw pictures, read books, do puzzles and more! What fun activities do you do at home?
