# Math

More, Less, or Equal Activity

Today we will be learning about comparing amounts of objects. Here are some pictures of what we will be learning about or doing today….
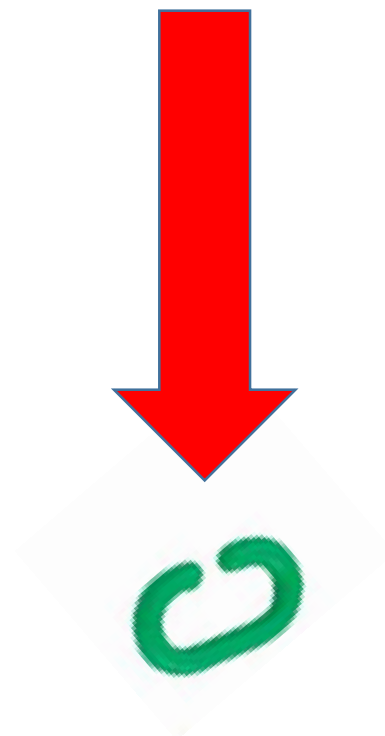

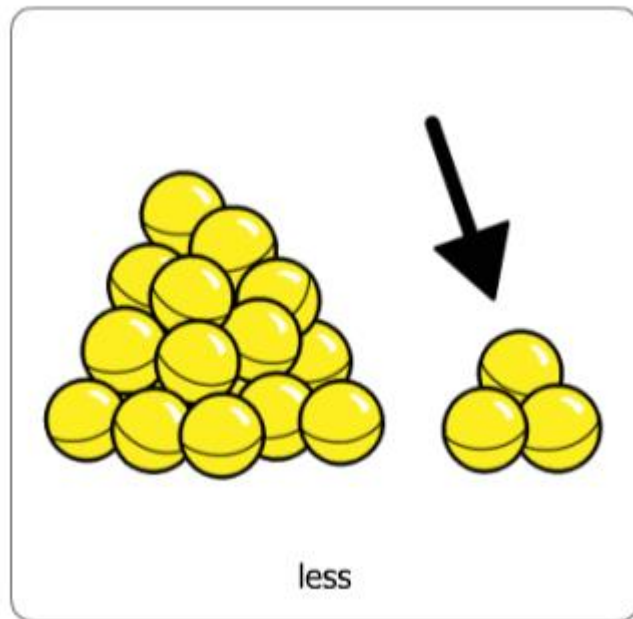

# The materials needed for this lesson are...

The vocabulary for today's lesson is….
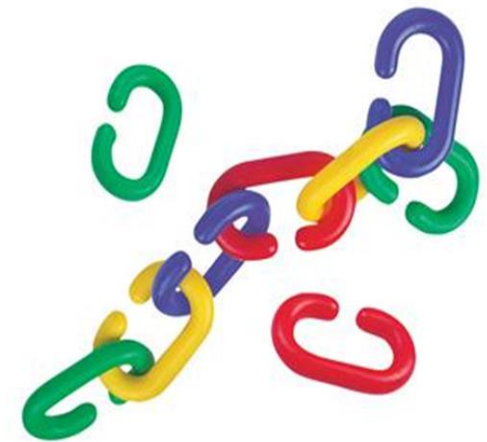

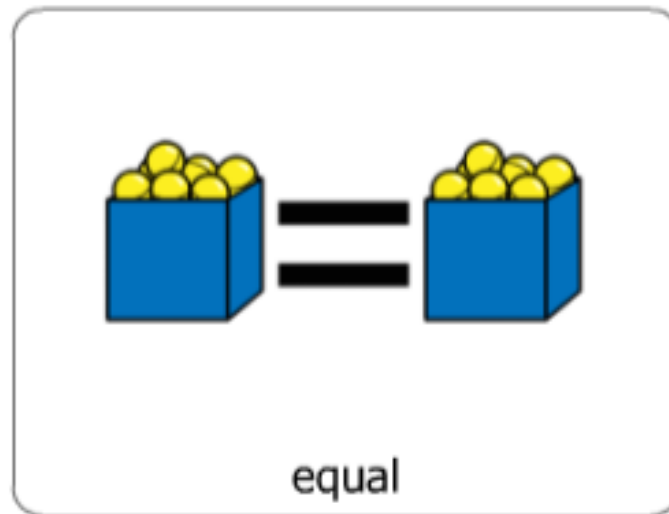

compare

less

equal

more

Sometimes we have less.

less

Sometimes we have more.

more

Sometimes things are equal. That means they have the same amount.

equal

*Create your own croc!

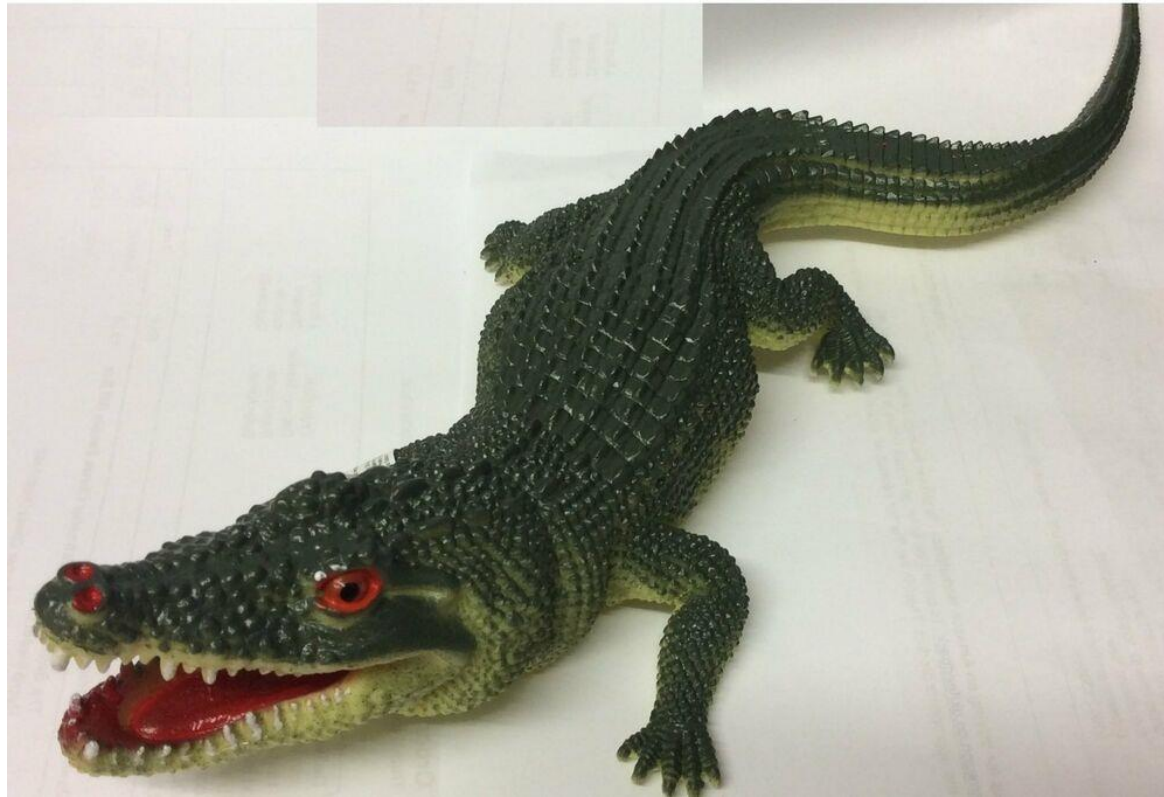

Cut out each part of head (top & bottom)

Use triangle paper for teeth
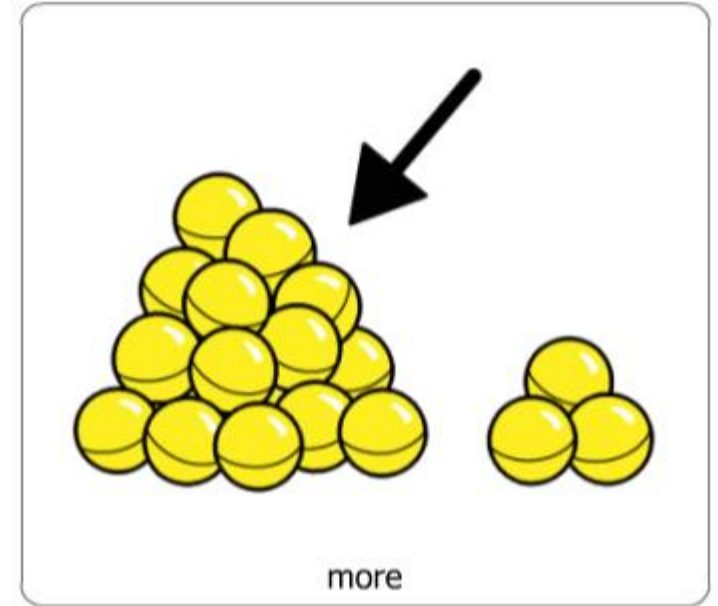

Google Eye

Brad clips to hold the mouth open and close

# This is the hungry crocodile
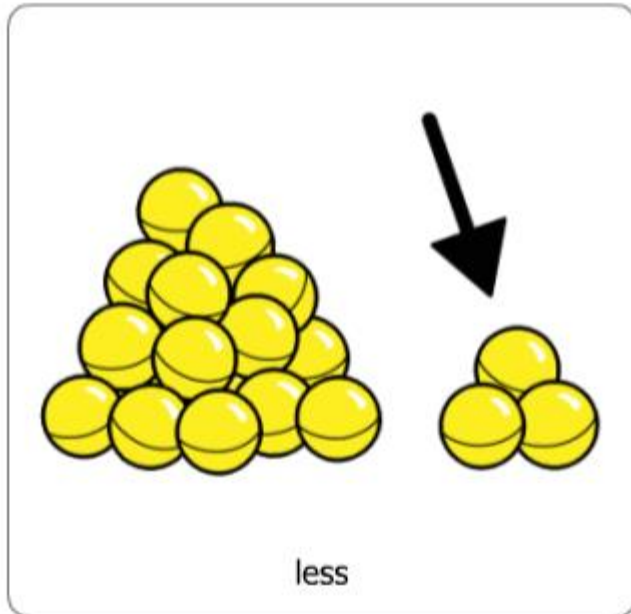

The hungry crocodile only likes to eat more.

more

Sometimes more is to the right.

more

Sometimes more is to the left

more

Since the hungry crocodile only likes to eat more… he always turns his back to less.

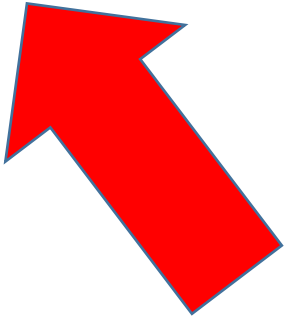

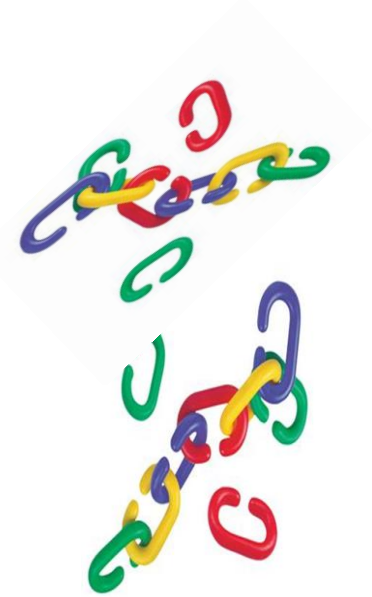

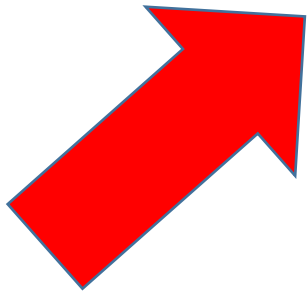

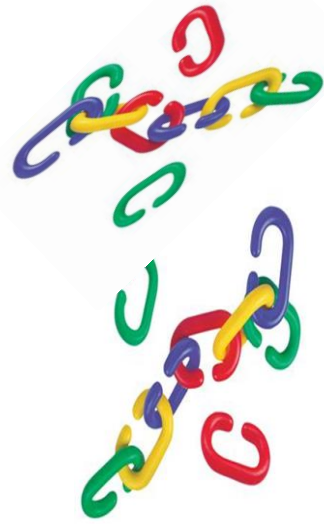

less

The steps for the activity are..

Step 1: Create two piles of chain links
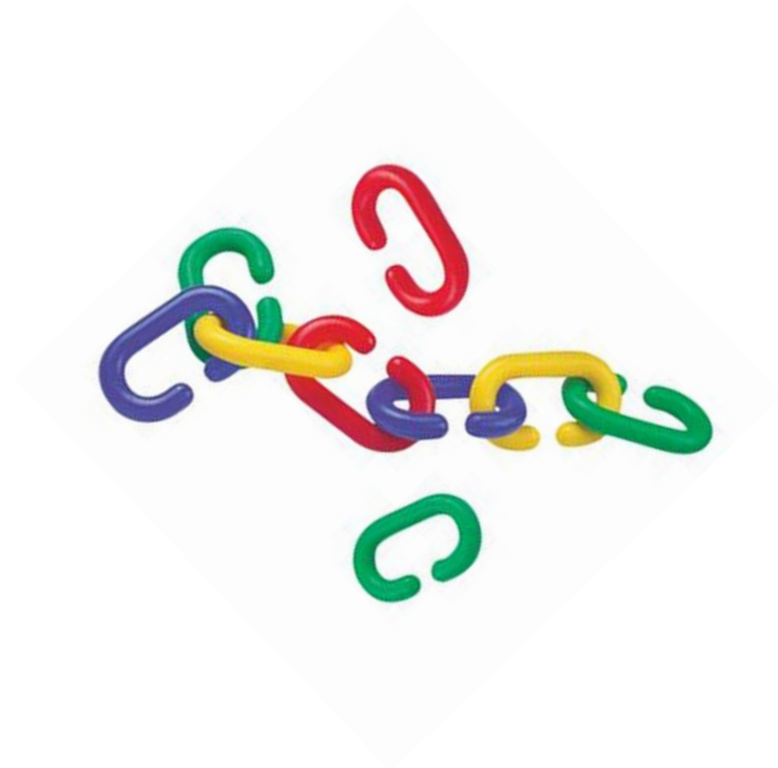

The pile behind the hungry crocodile has less
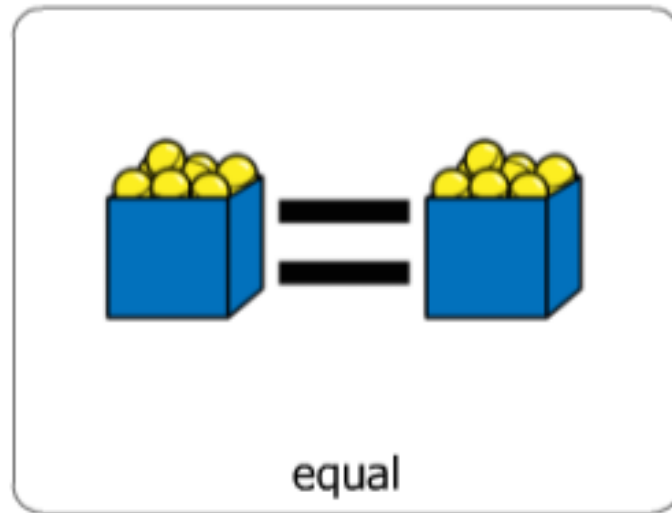

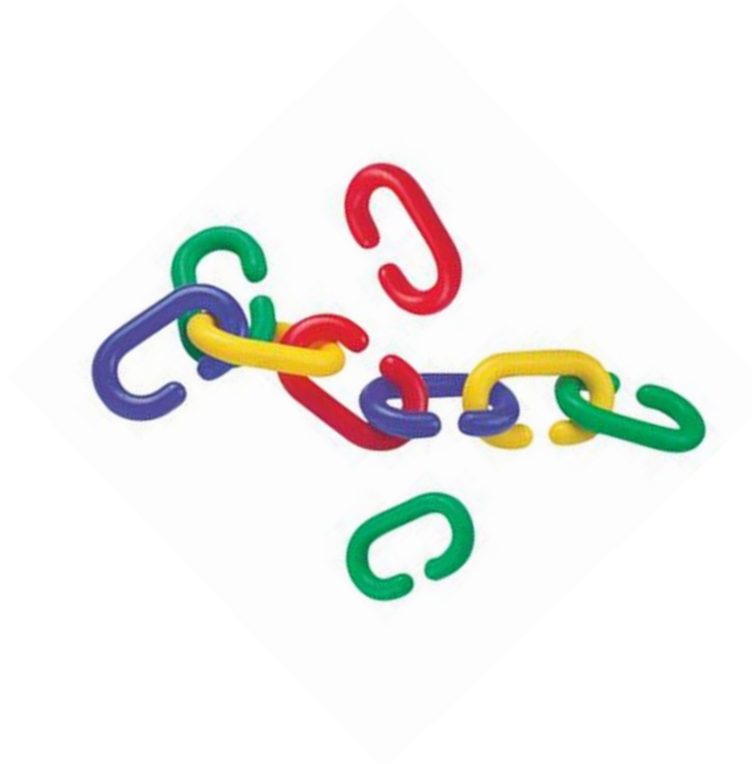

Step 2: bring out the hungry crocodile. Feed him the pile that has more.

# Step 3: create two piles that have the same amount.

equal

When there are two equal, hungry crocodile can't decide, and he closes his mouth.

is equal to

Repeat steps 1-3 with different materials and different amounts.

repeat
