

Important Update re: COVID-19

from Gil Fonger, President & CEO

Dec. 15, 2020; 2 p.m.; Issue 68

- **COVID case updates:**

- **Marklund Wasmond Center (MWC)**, Elgin. A staff member who has been offsite quarantining due to exposure tested positive for COVID-19. Since this person has not been onsite for some time, no additional staff or residents need to be tested.

- **Holiday Gifts**

We are seeing an amazing response to our annual gift drive already! With the current volunteer/visitor restrictions in place, we were unsure of how our Giving Tree gift drive would be accessed by friends, families and donors. We are humbled by how everyone seems to have stepped up and are going well out of their way to make sure our residents have a special holiday season! While we cannot welcome guests in for our usual Christmas Eve Gift Opening, Marklund staff at all sites are looking forward to being Santa's helpers this year and planning many festive activities! Stay tuned to our social media sites to share in the fun.

Warm regards.
