- **Good news: Negative results at MPC and MWC**

I am pleased to report that all residents and staff at the Philip Center (MPC) and Wasmond Center (MWC) have tested negative for COVID during the testing completed this week. If no other staff cases develop, MPC will move off Outbreak Status on April 22, and MWC will be off April 28. At that point, resident outings will resume as will pre-arranged visitation. (Currently, MPC and MWC are allowing Virtual, Window and Compassionate Care visits.)

- **Reminder to staff re: COVID ESB**

The COVID-ESB benefit ends as of tomorrow, Wednesday, April 21, which is 14 days after our last of 10 vaccine clinics. Currently, nearly all of our residents and 70% of our staff are fully vaccinated.

Stay safe, and warm, during this unusual spring weather!
