

## Important Update re: COVID-19

*from Gil Fonger, President & CEO*

Dec. 10, 2021; 4 p.m.; Issue 132

- **Administrative employee tests positive in Geneva**

An unvaccinated administrative staff member who works at the Marklund Hyde Center in Geneva tested positive for COVID today after taking part in surveillance testing. This person is asymptomatic and did not have any contact with residents or community clients.

Contact tracing has begun for identifying staff who may have had close contact, which does look to be minimal.
