

## Important Update re: COVID-19

### *from Gil Fonger, President & CEO*

Dec. 30, 2021; 3 p.m.; Issue 144

- **Additional staff cases at all sites**

Nine additional staff tested positive for COVID, only five of which are facility-based cases.

- **Day School-Bloomingtondale (MDS):** 2 direct care staff, both vaccinated/not boosted. Both are experiencing mild symptoms. Neither has been onsite for many days.

- **Philip Center (MPC):** 1 direct care staff, vaccinated/not boosted, last worked Tuesday and developed symptoms yesterday. In addition, we received lab confirmation that the presumed positive case that we reported yesterday is positive.

- **Hyde Center (MHC):** 1 support services staff, vaccinated/not boosted, tested out of state after developing symptoms.

- **Haverkamp Home (MHH):** 1 direct care employee, vaccinated/not boosted, tested positive today after learning of community exposure. This person is asymptomatic.

- **Dreher Home (MDH):** 1 direct care staff, vaccinated/not boosted, tested positive today after developing symptoms. PCR result is pending. This person last worked Dec. 28.

- **Wasmond Center (MWC):** 3 direct care staff (all vaccinated/not boosted) tested positive, 2 of which were discovered during outbreak testing and are asymptomatic. The third developed symptoms yesterday and last worked on Dec. 28.

- **Resident case in Geneva**

One additional resident on the Geneva campus tested positive today after developing mild symptoms. This resident lives at the Tommy Home (MTH) and is vaccinated/boosted.
