

Important Update re: COVID-19

from Gil Fonger, President & CEO

Jan. 12, 2022; 3 p.m.; Issue 156

• **New staff cases:**

- **Marklund Day School (MDS) Bloomingtondale:** 1) A day school employee (Vaccinated/not boosted) was tested after developing symptoms on Monday. PCR results are positive for COVID. This person last worked Friday, Jan. 7.

2) A second school staff member (vaccinated/not boosted) was tested last week after developing symptoms, and the PCR test confirmed positive results today. This person last worked on Jan. 5.

- **Philip Center:** 1) A direct care employee (vaccinated/not boosted) tested positive in surveillance testing. This person developed symptoms today and last worked yesterday.

2) Another direct care staff member (vaccinated/not boosted) has positive PCR test results from surveillance testing. This person, who worked today until the results came in, is currently asymptomatic.

- **Dreher Home (MDH), Geneva:** A support staff employee (vaccinated/not boosted) tested positive offsite today after developing symptoms. This person last worked yesterday. PCR is pending.

- **Wasmond Center (MWC), Elgin:** A direct care employee (vaccinated/not boosted) tested offsite last week and results came back today as positive. This person, who last worked on Saturday, Jan. 8, became symptomatic on Monday, Jan. 10.

• **New resident case:**

A third MWC resident who is COVID-positive was admitted to the hospital today after developing more severe symptoms. The other two residents are currently stable. No other residents are currently hospitalized.
