Jan. 14, 2022; 3 p.m.; Issue 158

• **Staff positive cases:**

- **Marklund Day School (MDS) Bloomingtondale:** A school staff member tested positive today after symptom onset. This individual (vaccinated/boosted) had a work exposure and had tested negative earlier in the week via rapid. PCR is pending. Contact tracing has begun for staff and students, and those determined to be in close contact will be notified. The specific classroom that is involved has been moved to remote learning until Jan. 24.

- **VanDerMolen & Haverkamp Homes (MVH & MHH), Geneva:** A direct care employee (vaccinated/not boosted) tested positive after developing symptoms during last night’s shift. PCR result is pending.

- **Wasmond Center, (MWC), Elgin:** **1)** A direct care employee (vaccinated/not boosted) received positive PCR results yesterday. This person was tested after developing symptoms, and last worked Tuesday, Jan. 11. **2)** An admin staff member (vaccinated/boosted) tested positive after symptom onset. This employee has not been in the building since Jan. 7. **3)** Another direct care staff tested positive today via rapid after developing symptoms. This employee (vaccinated/not yet eligible for booster) worked last night’s overnight shift.
