

Important Update re: COVID-19

from Gil Fonger, President & CEO

Jan. 18, 2022; 3 p.m.; Issue 160

Although reports are showing modest decreases in the Community Transmission Rates in Cook, DuPage and Kane counties, we are seeing additional positive cases among staff and residents

• **Additional staff and resident COVID cases:**

- **Wasmond Center (MWC) Elgin:** **1)** A direct care employee (vaccinated/not yet eligible for booster) tested positive after developing symptoms. This person last worked the night shift on Jan. 13. **2)** A support services employee (vaccinated/not boosted) received positive results from a PCR taken yesterday. This person is symptomatic and last worked Sunday night, Jan. 16.

- **Philip Center (MPC), Bloomingdale:** An administrative employee (vaccinated/not boosted) tested positive after developing symptoms yesterday from an offsite exposure. This person last worked in the office on Jan. 13, and had no contact with residents.

- **VanDerMolen Home (MVH), Geneva:** An asymptomatic resident tested positive from yesterday’s surveillance PCR testing. This resident is vaccinated/boosted.
