

Important Update re: COVID-19

from Gil Fonger, President & CEO

Jan. 20, 2022; 3 p.m.; Issue 161

• **Two New positive cases:**

- **Wasmond Center (MWC) Elgin:** A support services employee tested positive this morning on a home rapid test after developing symptoms last night. PCR confirmation is pending. This person (vaccinated/not boosted) last worked yesterday, Jan. 19.

- **Day School (MDS), Bloomingdale:** A school employee (unvaccinated) tested positive today via rapid upon arriving at work and reporting congestion. This individual last worked yesterday, Jan. 19, in the school. Contact tracing has begun at the Day School.

• **Reminder to Staff:**

It is still required that employees who develop COVID-like symptoms, regardless of having a negative home test, should report it to their manager or a nurse onsite prior to their next shift.

Thank you
