

Important Update re: COVID-19

from Gil Fonger, President & CEO

May 27, 2022; 2 p.m.; Issue 198

• **Nine new cases in Geneva and Elgin**

- **Marklund Tommy Home (MTH), Geneva:**

Three MTH residents (all vaccinated/boosted) tested positive today after mild symptom onset. Outbreak status for MTH has been extended to June 11.

- **Marklund Richard Home (MRH), Geneva:**

A direct care employee (vaxxed/not boosted), tested positive today offsite after onset of after COVID-like symptoms. This person last worked yesterday at MRH. This resets MRH’s Outbreak status date to June 11.

- **Marklund Wasmond Center (MWC), Elgin:**

- 1) Three staff members (two direct care and one support) at MWC tested positive late yesterday and this morning during outbreak testing. They are all vaccinated/boosted and are currently asymptomatic.
- 2) Another MWC direct care employee (unvaccinated) tested positive today after developing symptoms.
- 3) One MWC resident (vaccinated/boosted) also received positive results today after new symptom onset.

MWC’s Outbreak status has been extended to June 11.
