

# Important Update re: COVID-19

*from Gil Fonger, President & CEO*

June 1, 2022; 3 p.m.; Issue 202

• **Marklund Wasmond Center (MWC):**

Two direct care staff tested positive yesterday and today during outbreak testing. Both are currently asymptomatic. One is vaccinated/not boosted, and the other, an agency staff, is unvaccinated and last worked on Monday, May 30. This moves the Outbreak Date for MWC to June 16.

• **Marklund Van Der Molen Home (MVH):**

Five residents tested positive during outbreak testing yesterday. They are all vaccinated and boosted. Three are asymptomatic; two have experienced mild symptoms. MVH will be on Outbreak Status to June 15.

• **Marklund Tommy Home (MTH):**

Two residents (vaccinated/boosted) also tested positive yesterday during Outbreak testing. Both are asymptomatic. MTH will be in Outbreak Status to June 15.

Again, we are very thankful that most of the cases that we are seeing at this point are asymptomatic or with mild symptoms. A big thanks goes out to staff for their continued extraordinary efforts in caring for our residents during these latest uptick.

Sincerely,

GILBERT FONGER, President & CEO,
