- **Marklund Wasmond Center (MWC), Elgin:** A Support Staff employee tested positive yesterday via rapid test after symptom onset. PCR is pending. This person had not been onsite due to being on vacation so the Outbreak Status date for MWC remains at June 18.
- **Marklund Richard Home (MRH), Geneva:** An IHR direct care employee tested positive this afternoon after developing symptoms yesterday. This person worked in MRH on Sunday, so this moves the home's Outbreak Status date to June 29.
