COVID cases pop up in Geneva, Bloomingdale and Elgin

• **Marklund Van Der Molen Home (MVH):**

1) A direct care employee tested positive today after developing symptoms. This person is vaccinated/boosted and last worked on Tuesday, May 31.

2) An MVH resident (vaccinated/boosted) tested positive yesterday, June 1, after developing symptoms. This moves MVH’s Outbreak Status date to June 17.

• **Marklund Haverkamp Home (MHH):**

A resident (vaccinated/boosted) also tested positive today after symptom onset. MHH will be in Outbreak Status to June 17.

• **Marklund Day School-Bloomingdale (MDS):**

An MDS staff member (vaccinated/boosted) who works in the Ann Haskins Center building in Bloomingdale tested positive today after symptom onset. School administration implemented contact tracing and determined that no students had been in close contact with this person. MDS will follow COVID protocol requirements set by IL State Board of Education.

• **Marklund Wasmond Center (MWC):**

A direct care employee received positive results today from a PCR test taken on May 31. This person, who is vaccinated/not boosted, last worked May 16.
