Important Update re: COVID-19

from Gil Fonger, President & CEO

July 12, 2022; 3 p.m.; Issue 218

- **Marklund Wasmond Center (MWC), Elgin:** A direct care employee tested positive today due to symptom onset. This person has not been onsite due to being on PTO so since it is considered a community-based case, this does not put MWC in Outbreak Status.

Sincerely,

GILBERT FONGER, President & CEO,
