

Important Update re: COVID-19

from Gil Fonger, President & CEO

July 16, 2022; 3 p.m.; Issue 221

Resident and staff cases continue at 2 homes

- **Marklund Sayers Home (MSH) and Marklund Tommy Home (MTH), Geneva:** A direct care staff member from MSH and a resident from MTH tested positive after exposures, but both are currently asymptomatic. The resident’s PCR was taken on Tuesday and the employee last worked on Wednesday, so neither of these cases will affect the Outbreak Status dates for either home.
