

Important Update re: COVID-19

from Gil Fonger, President & CEO

July 22, 2022; 3 p.m.; Issue 222

Offsite staff cases in Geneva

- **Marklund Hyde Center (MHC), Geneva:** Two direct care employees from Marklund’s Geneva campus tested positive after developing symptoms. Both had not been working during the infectious period so they do not affect the COVID outbreak status of the residential sites or the Administration/Community Day Services areas.
