

# Important Update re: COVID-19 *from Gil Fonger, President & CEO*

Nov. 22, 2022; 3 p.m.; Issue 270

### Positive staff

#### **Marklund Philip Center (MPC), Bloomington:**

A direct care employee tested positive today after learning of a community exposure. This person, who is currently asymptomatic, worked the last two nights which is considered within the 48 hour infections period.

Under our new protocol, MPC’s admin/nursing team will test only those who were considered close contact/high risk contacts three times with 48 hours in between each test. So far, all close contacts and residents have tested negative today. This puts MPC into Outbreak Status tentatively through Saturday, Nov. 26.

Take care--

GILBERT FONGER, President & CEO,
