Staff members who receive a report of bullying must notify the principal or school administrator or his or her designee of the report of the incident of bullying as soon as possible after the report is received. All reasonable efforts will be made to complete the investigation within 10 school days after the date the report of bullying was received. The investigation will involve appropriate school personnel with knowledge, experience, and training on bullying prevention, as deemed appropriate. Reporter(s) will be kept confidential to the extent possible given the need to investigate.

Consistent with Federal and State laws and rules governing student privacy rights, the Director of Education or designee shall promptly inform parents/ guardians of all students involved in the alleged incident of bullying and discuss, as appropriate, the availability of social work services, other interventions, and restorative measures.

(vii) increase student accountability if the incident of bullying is based on religion, race, ethnicity, or any other category that is identified in the Illinois Human Rights Act.

In addition, the Director of Education or designee shall, consistent with Federal and State laws and rules governing student privacy rights, provide parents/ guardians of the students who are parties to the investigation information about the investigation and an opportunity to meet with the Director of Education or designee to discuss the investigation, the findings of the investigation, and the actions taken to address the reported incident of bullying.

Marklund Day School prohibits reprisal and retaliation against any person who reports an act of bullying. An allegation that one student was bullied/harassed by another student or instances of reprisal and retaliation shall be referred to the Director of Education for appropriate action, which may include suspension and/or termination of placement.

Marklund Day School will take appropriate remedial actions for a person found to have falsely accused another of bullying as a means of retaliation or as a means of bullying.

This policy will be distributed annually to parents. School staff will be in-service upon hire and annually. Marklund Day School will evaluate the process and effectiveness of this policy annually, including but not limited to, the following factors:
