Dec. 12, 2022; 3 p.m.; Issue 282

New cases reported in Geneva and Elgin

Marklund Hyde Center (MHC), Geneva:

- A CDS community client tested positive on Saturday after developing symptoms. CDS management is contacting all applicable staff and families regarding exposure and testing requirements.

Marklund Day School (MDS), Geneva:

- A school employee at the Foglia Education Center of MDS-Geneva tested positive yesterday after developing symptoms. MDS administration has conducted contact tracing and is notifying staff and parents about potential exposure.

Marklund Richard Home (MRH), Geneva:

- An MRH resident tested positive today during outbreak testing (asymptomatic). All other MRH residents tested negative at this time. This extends the Outbreak Status at MRH to Dec. 27.

Marklund Wasmond Center (MWC), Elgin:

- A direct care employee tested positive this morning after working the first half of her shift. This person had developed symptoms. This will move MWC to Dec. 26.
