

Important Update re: COVID-19 *from Gil Fonger, President & CEO*

Jan. 18, 2023; 3 p.m.; Issue 296

New Positive Case in Geneva

Marklund Haverkamp Home (MHH), Geneva campus

A direct care employee tested positive yesterday after symptom onset Monday night. This person last worked the overnight shift at MHH on Sunday night, Jan. 15. All MHH residents and applicable staff who were tested today had negative results so far.

This puts MHH in Outbreak to Jan. 21.

Regards,

GILBERT FONGER, President & CEO,
