### **Marklund Day School-Bloomingtondale (MDS)**

A Multi-Needs teacher at the Ann Haskins Center of Marklund Day School-Bloomingtondale tested positive this morning post exposure. MDS Administration notified appropriate staff and students. According to IL State Board of Education (ISBE) regulations, school staff are recommended to test at home, and will be tested by Marklund if there is any symptom onset.

Any exposed staff who also work/pick up shifts on the residential side at Marklund should check with their managers regarding testing.

Take care,
