Resident & Staff Cases at MWC

Marklund Wasmond Center (MWC), Elgin

Three residents and three employees at MWC have tested positive for COVID.

- 1 - Resident: positive test last night after exhibiting symptoms
- 2 - Resident: asymptomatic, discovered during outbreak testing
- 3 - Resident: positive result today after developing symptoms
- 4, 5, 6 - Staff members (direct care): positive tests today after symptom onset

This adjusts MWC’s Outbreak Status to March 31.

Please note: MWC Administration has implemented stricter mitigation methods during this prolonged outbreak in order to curtail COVID transmission in the facility.
