

Support Marklund:

Making *Everyday Life* Possible

At Marklund, we provide exceptional care that transforms the lives of individuals with profound disabilities, but we can't do it alone. Each year, there's a funding gap between what it takes to deliver this high level of care and what the state provides – this year it's **\$16,636** per resident. **Your generosity helps close that gap, directly supporting residents and ensuring they continue to thrive.**

Ways to Give

Annual Fund

Help close the gap with an annual fund gift – supporting the everyday care our residents rely on.

- Make a general donation by scanning the QR code, visiting www.marklund.org/donate, or mailing a check to the Marklund Hyde Center (1S450 Wyatt Dr, Geneva, IL 60134)
- Choose to become a monthly donor or explore employer matching opportunities
